Visitation Monitoring

Our Professional Visitation Monitoring service is the solution you've been looking for when it comes to court-ordered exchanges and supervised visits.

Our team of professionals are bonded and insured, ensuring the highest level of security and confidentiality. We remain impartial, observing and documenting all visitation, and reporting back to the court to ensure compliance with Court Orders.

Trust us to provide a safe and secure environment for all parties involved.

Need a Notary? Look no further than Ebb and Flow Notary Service. Our Notary is an experienced professional who provides mobile notary services that are convenient and hassle-free. With full insurance coverage, you can trust that your documents are in good hands.

FOCUS PROGRAM

Intake and Community Outreach

At our *Focus Program*, our mission is to provide services and to create a welcoming environment where individuals and groups can connect and grow together. We offer a range of services that include connection to personal and community resources, self-help workshops, and spiritual services to aid us and help us re-focus on our journey through life
